

Technical Bulletin

MAIN BOARD & FAN MOTOR- CONS A SERIES CONS09 THRU CONS18

Document #: TB-DLS-09212022

Date Issued: 09/21/2022

Author: Chuck Jacobs

Reference: Console Main Board and Motor Compatibility

Product Group: Ductless

Models Affected: CONS09HP230V1AF, CONS12HP230V1AF, CONS18HP230V1AF
All sizes use the same Main Board part #

Serial Number Range:

PN 300002060040: 2317GS AND BEYOND (USES 1570410001201 FAN MOTOR)

PN 30138613: 2317GS AND BEFORE (USES 15012123 FAN MOTOR)

Summary:

Mini-Floor Console units have 2 different main boards and motor combinations depending on their manufacture date.

These parts are not interchangeable, but you can use either matching main board and motor combination in any CONS A.

Solution:

Always check unit Model and Serial Number prior to ordering a replacement board for these units.

You can use either matching main board and motor combination in any CONS A.
