Stencils for Livo Gen4 & Vireo Gen3 Ductless High Wall Air Handlers

Document #: PB-DLS-05182023

Date Issued: 05/18/2023

Author: Justin Sylsberry

To make our equipment more installer-friendly, our Livo Gen4 and Vireo Gen3 ductless high walls now come with a printed stencil in the box. This stencil can be used to measure and mark the location of the high wall installation without having to hang the wall bracket or guess where to drill.
